BUILDING FIRE ALARM BELL CODES

In case of fire, activate the nearest fire alarm, usually located at the exit stairs, by pulling down the lever. Exit the building from the nearest exit stairs after you activate the alarm. To call the Fire Department, dial 718-999-3333 or dial 911 and give the address and location of the fire. For questions regarding the Alarm Bell Codes, please call Environmental Health and Safety at ext. 3529.
