

Safety Alert

Space Heaters in Laboratories

Portable space heaters are prohibited in all Einstein laboratories or other areas where hazardous materials, especially flammable or combustible liquids are use or stored. The use of portable space heater increases the risk of fire and injury and is a violation of the NYC fire code.

If the temperature in the laboratory is uncomfortable or inadequate, please contact Operations at ext. 3000 for any heating, ventilation or air conditioning problems.

Please contact Environmental, Health & Safety if you have any question at ext. 4150 or email Einstein-safety@einsteinmed.edu.
